

What Is The ISA Card?

The International Students Association ID Card* is an internationally recognized identification and discount card available to students of any age, faculty members, and youths between the ages of 12 and 28 years.

What Are The Benefits?

MasterCard

The ISA Card is a special payment card for settlements in Internet. It is not a credit card. The card may be used in all Internet shops and fairs with the Eurocard/MasterCard logo displayed. This card is re-loadable. **Value: US\$15.00**

Discounts

The ISA Card opens the door to a world of savings. ISA Cardholders are able to enjoy discounts in a variety of countries throughout the world including, but not limited to, the United States, Canada, Australia, Europe, South America, and Asia. These discounts are either negotiated directly and exclusively between the establishments and ISA, or they are offered to ISA cardholders automatically as a result of the ISA Card's status as an internationally recognized identification card. ISA discounts tend to range from 10% to 50% off at museums, castles, hotels, restaurants, shops, language schools, theaters, concerts, operas, cinemas, recreational facilities, rentals (auto, motorcycle, and bicycle), bus routes, boat routes, railroads, and selected airlines.
